Full job description

About Citco

Citco is a global leader in fund services, corporate governance and related asset services with staff across 50 office locations worldwide. With more than $1.8 trillion in assets under administration, we deliver end-to-end solutions and exceptional service to meet our clients' needs.

For more information about Citco, please visit www.citco.com

About the Team & Business Line:

Proprietary software solutions and innovation are at the core of what differentiates Citco in the alternative investment space. Through our network of global development centres, Citco invests heavily in technology development, security, and infrastructure to ensure our clients continue to receive award-winning products that underpin our commitment to service excellence.

As a core member of our Reporting IT team, you will work with dedicated professionals to ensure our clients maintain access to their critical information assets while keeping Citco ahead of industry trends.

Your Role:

- You will participate and contribute on all team activities such as sprint planning, daily scrums and retrospectives.
- Deliver on-prem or cloud native solutions in AWS as part of a cross-functional agile team
- Design and implement automated unit and system testing
- Research new technologies and present findings to the larger team

About You:

- You have experience with some of the following technologies: Python, Java, Javascript, HTML, SQL and general web technologies.
- Familiarity with AWS services such as S3, Lambda, IAM, Glue, Dynamo, RDS and CloudFormation is a nice to have
- Experience with any of the following would be an asset: React, Spark, Node
- Strong communication skills
- Completed the 3rd or 4th year of pursuing a degree in Computer Science or related field
- You have Interest in financial services

Salary Range: CAD $53,000 - CAD $71,000

- This posting is for an existing vacancy.

Our Benefits:

Your well-being is of paramount importance to us, and central to our success. We provide a range of benefits, training and education support, and flexible working arrangements to help you achieve

success in your career while balancing personal needs. Ask us about specific benefits in your location.

We embrace diversity, prioritizing the hiring of people from diverse backgrounds. Our inclusive culture is a source of pride and strength, fostering innovation and mutual respect.

Citco welcomes and encourages applications from people with disabilities. Accommodation is available upon request for candidates taking part in all aspects of the selection.
